The Big Show is our annual school concert. Classes have been practising all of this term for The Big Show. This will be a wonderful evening concert for families to enjoy in a relaxed and comfortable way. Families can bring chairs from home or a picnic blanket, sit back and watch the students amaze us with their performances.

The school will be open from 4:30pm for families. Entry will only be through the primary gate on Marsh St.

The canteen will have a range of meals available for the whole family, from 4:30pm. Please purchase at the gate when you enter. The P&C are running the BBQ and will also be selling drinks and sample bags (cash only).

Students are to be dropped at their classrooms from 5:15pm, ready for the Big Show to start at 5:30pm.

Once your child has performed you may choose to get them from their classroom or they can remain with their teacher for the finale. Students will need to be signed out by an adult.

As this is a school event it is completely smoke and alcohol free.
