**Week 10 Term 2 & 3 Update**

**Construction Finalised**

Throughout the holidays work will continue on our fence, the lift and demolition of the old ramp. Hopefully by the time we return after the holidays, all of the construction will be complete and we will have full access to our playground.

Once the fence is completed, we will have some changes to the way people access the site to ensure our safety and security of staff and students. Access to the school car park will be limited.

**NAIDOC Day Celebrations**

There has been a delay in our NAIDOC week celebrations this year and they will be held later in Term 3.

**Healthy Canteen Strategy**

All school canteens must comply with the NSW Healthy School Canteen Strategy by the end of 2019. Over the next few months there will be some changes to the menu and how the canteen operates.

**Hats and Uniforms**

Each class will be conducting a school hat audit. Children can get a 2nd hand replacement for free, but if they have lost or broken 2 hats they will need to purchase a replacement for $10 from the school. No school hat, no play on the ovals.

Access to both ovals will be limited to students who are in the correct school uniforms. All classes have been reminded over the last few days and this will continue next term.

Just some of the fun that the kids will have at OBSTACOOL next term. It is like Stoney Aqua Park but on land. Or if you are a bit older like me - you may remember “It’s a Knockout” from our TV days? It is a major fundraiser for our P&C and will cost $10 per student. Every child will get an hour on the equipment with their class for their $10. There will also be some times after school for parents to come and try and also a fun WEST WARRIOR challenge for businesses and organisations. If you would like to get a team together please contact Emma Bates on 65627044 to get some information.
